Local foundation to celebrate first anniversary Thursday at Hawthorne Park

Grand Junction, CO (May 3, 2010)

The Tammy D. Martin Trips, Dreams and Memories Foundation will celebrate their one-year anniversary at Hawthorne Park Thursday at 5 p.m. with a celebration of Martin's life and a look back at the events of the year, including a chance for the public to meet the first family to be selected to take an all-expense paid trip, and an announcement about a second family currently in the selection process.

On May 13, 2008, Tammy Denise Martin passed away after an 18-month battle with cancer. She was 38. One of Martin's last wishes was to take a vacation with her family. Unfortunately, her illness progressed too fast and she was not able to make this wish come true.

Inspired by Tammy's selflessness and desire to help others her family established the foundation in her name. The foundation's mission is to help parents who may be facing a life-threatening medical condition create a lasting memory for their children.

Thursday would have been Martin's 40th birthday. The organizers selected this day to launch the foundation as a tribute to her giving spirit.
